

RP RACING
PERFECTION
It's in the name!

INTRODUCTION:

Our aim is to provide the perfect service whether preparation of race vehicles or ensuring the driver receives expert PR support. We understand that in championships such as for the Ginetta G20 and G40's, fantastic opportunities are available for drivers to develop their skills and make a career out of motorsport thanks to great TV coverage, racing on the F3/GT package and direct routes all the way to LMP1 at Le Mans. We have put together a team package that is designed to capture these opportunities and provide you with the expertise to make the most of them.

RACE TEAM STAFF:

Each one of our staff has been carefully selected to ensure that we can provide you with the high quality service that you deserve. With individuals that have experience for working for the likes of McLaren and Prodrive along with the commission of a sophisticated vehicle dynamics program for 2011 you can be assured that we will be able to tailor the vehicle to your driving style and get the most out of the car for any weather condition.

VEHICLE PREPARATION:

Preparation is key to success and we do not take this lightly with:

- A large preparation workshop
- Full time preparation staff
- On site paint and body shop

Each vehicle is meticulously prepared for each event and will be maintained throughout the weekend by your own dedicated mechanic leaving you to focus on the task at hand – Winning!

DRIVER PR SUPPORT:

We understand that a driver's representation off the circuit can be just as important as their performance on track. Due to this we have put together a PR Support package for each of our drivers including:

- Personalised Driver Zones – You will be provided with a designated area for pre and post race preparations as a driver where you can sit down and chat through data and thoughts with your pit crew.

Within this area you will also be provided with:

- Helmet rack
- Race Suit rack
- Driver promotion boards – displaying your driving CV, race images and any sponsor logos
- A custom built driver website – this will display all your race results, CV and images and can house any possible sponsor requirements. In addition a complimentary update service will be provided throughout the season.
- Behind the scenes PR Support – Such as supplying driver information for commentary purposes
